The Honorable Frank LoBiondo
P. O. Box 550
Vineland, NJ 08362

Dear Representative LoBiondo:

On behalf of the New Jersey Education Association PAC Operating Committee and NEA's Fund for Children and Public Education, we are pleased to announce our endorsement of your candidacy for the 2nd Congressional District.

Between now and November, NJEA will be communicating with our members to remind them of your strong record of support for public education. Your endorsement also enables us to contribute to your campaign through our federal PAC, administered by our national affiliate, the National Education Association.

If you have any questions or concerns, please feel free to reach out to my office, or you may contact Ginger Gold Schnitzer, NJEA Director of Government Relations.

Thank you for all you have done on behalf of the children and our members. I look forward to a successful effort in the upcoming election.

Sincerely,

A handwritten signature in cursive script that reads "Wendell Steinhauer".
