Congressman Frank A. LoBiondo
2nd Cong. District
5914 Main Street
Mays Landing, NJ 08330

Dear Congressman LoBiondo:

On behalf of the 33,000 member New Jersey State PBA, I am pleased to inform you that the Board of Delegates of the New Jersey State PBA has endorsed your candidacy for re-election to the United States House of Representatives.

Congress has all too often been dysfunctional recently. Yet, you have risen above partisan politics and bureaucracy to take a stand on behalf of New Jersey's law enforcement officers in Congress. Your unwavering support this session of those sickened and subject to unknown illnesses in the aftermath of 9/11 set you apart from many in DC. Your continued support for COPS funding and for expanding the capabilities of law enforcement to do their jobs and to protect the public and themselves is critical to every officer in the nation. We have also come to know that we can count on your vocal support of law enforcement officers at a time when police are too easily vilified.

Thank you for your dedication to law enforcement in the House of Representatives and for always having an open door to me and the New Jersey State PBA. Do not hesitate to contact me if I can be of assistance to you.

RECEIVED

Frank A. LoBiondo, M.C.

Sincerely,

Patrick Colligan
State President
