Dear Congressman LoBiondo:

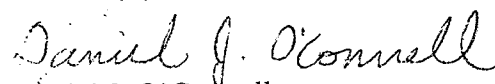

We are pleased to inform you that the New Jersey State Legislative Board of the SMART Transportation Division (TD) while in session on August 26, 2016 voted unanimously to recommend to our members your re-election as Congressman from the Second Congressional District. Our recommendation is based on your support for positions important to SMART TD and its members.

Your name will appear in the October issue of the SMART Transportation Division News as the recommended candidate for Congress in District 2. Every active and retired SMART TD member in your district will receive a copy prior to Election Day.

We want to wish you a successful election and we look forward to working with you in the future.

As always, I remain

Sincerely yours,

Daniel J. O'Connell
State Director
