Dear Congressman LoBiondo:

On behalf of our 9,000 members that we represent in your 2nd Congressional District, I am pleased to inform you that you are receiving the endorsement of UNITE HERE for reelection to Congress. We offer this endorsement as a result of your consistent, strong support of our members working mostly in the hotels and casinos in Atlantic City. We applaud your commitment to the right of workers to collectively bargain and your belief in the core principles of organized labor.

You have consistently been there when UNITE HERE has asked for your help and support. You have always encouraged our employers to work with us to reach fair contracts, and have even appeared at our rallies and picket lines to demonstrate your commitment to fairness for our hotel and casino members.

We are proud to strongly and publicly support your candidacy for a job that you have done so well for over 20 years. We look forward to working with you again in the future for the benefit of our members and all workers in South Jersey.

Sincerely,

Robert McDevitt
President
